FRIDAY JULY 20th 1945

NUMBER 13

Local Tennis Courts Soon Finished

NEWS NOTES

Good progress has been made this week on the three new tennis courts being constructed by the Tennis Club on the lots just west of the John Deere Building.

These courts are made of a thick layer of cindeps for drainage, a layer of sand for firmness, and then surfaced with clay, and kept in condition by constant rolling to keep them smooth.

The Club plans to fence them and keep the enclosure locked so that cattle, horses or any other straying animals, nor straying people can get onto them to spoil them. A caretaker is to be appointed and players will either hold a membership card in the Club or will be able to pay by the game if they prefer.

Quite a number of lovers of tennis live in town, and there is a group of real boosters whose initiative in building these courts, with the co-operation of the Council and the Service Clubs will furnish the means of wholesome and beneficial recreation to tennis players. It is to be hoped that their efforts will be appreciated and that all will co-operate and assist in keeping the courts from damage and in good condition at all times. If you are a player and haven't a membership, join the Club and give the boys a tangible boost.

Mr. and Mrs. J. D. Brown and family were visitors in Calgary and Banff last week taking in one day of the Stampede and then going on to Banff.

TABER OIL FIELD MAN DROPS DEAD

TABER—Death came suddenly to T. Harry Conlin, 65, Taber oil field worker on Tuesday evening at Conrad. Following a heavy shower while Mr. Conlin with other members of the drilling crew were driving to camp the truck slid into the ditch. Mr. Conlin and one of his companions got out of the truck to help right it. He picked up a heavy stone, and as he did so he fell dead. The remains were brought to Taber.

The late Mr. Conlin was a former railway contractor and helped build the Blackie-Suffield line, the Goose Lake line and a number of other branches in the southern part of the province. He was a brother of Mrs. Conlin of the Redlaw district who suffered considerable damage being done, and passed away some time ago. He leaves a wife and a family about 5 miles south of Raymond of four sons and four daughters. It is expected the funeral will be held on Thursday afternoon.

Mr. and Mrs. Delman O'Brien and baby of the R.C.A.F. at Nanaimo, B.C. are home for a visit.

Bob Harvey, after a leave at home is leaving next Tuesday to report back to his ship.

The C. R. Wing family left Saturday for a two week's vacation at Waterton Park.

Mr. and Mrs. Polcy Hawkins were Lethbridge visitors Thursday. Polcy going on garage business.

Gordon Dahl of the Navy arrived home last week for a thirty day visit with his mother and other relatives and friends in Raymond.

Miss Mildred Brown, who has been in Eastern Canada for a year working in a war plant there has returned home again.

Miss Marjorie Brown who is attending the Calgary Business College was home for a week's vacation the first of this month.

Mr. and Mrs. Jack Darrant left Thursday morning for Cardston after ten days here. Jack is going to take in the Stampede and also get some business done.

Mr. and Mrs. E. N. Christensen enjoyed an overnight visit Wednesday from relatives of Mrs. Christensen, Mr. and Mrs. G.G. Lee, who live at St. Ignace, Mont.

Messrs Irving and Dudley Hall of Portland and Seattle respectively, are here for a two weeks visit with their parents Mr. and Mrs. J.D. Hall and other relatives and friends.

Mr. and Mrs. R. W. Tollestrup of Prince Albert, Sask., are returning home today after spending their annual holiday with relatives and friends in this district.

Hail has struck in widely scattered points during the past week and damage in some sections has reached 100 p.c. There was a very damaging hail storm south of Cardston Tuesday afternoon, the town itself getting a little. The ridge country province. He was a brother of Mrs. Conlin of the Redlaw district who suffered considerable damage being done, and passed away some time ago. He leaves a wife and a family about 5 miles south of Raymond of four sons and four daughters. It is expected the funeral will be held on Thursday afternoon.

Rehabilitation Committee Organized

At a meeting held in the Town were:

Hall last Monday evening, July 16, Chairman—Mayor Wm. Jensen. Secretary—D. M. Holladay. Executive—Ted Wagstaff, Paul and women from the armed forces.

The Chairman will attend a Pro- together of 25 people. The committee will be organized into various sub-committees to deal with particular work of the Committee, and the committee will attend to discuss the plans and aims of the job to be done and try to crystallize in a workable program the suggestions of the permanent organization and ideas offered.

Elected Monday night as the executive of the permanent organization and ideas offered.

Emergency

Never one to shirk responsibility, roles, that of Dr. Young, calling for comedian ALAN YOUNG has announced and sponge, while standing in the audience right Alan Young Show is heard over the through the summer months. Here CBC Dominion network, on Tuesdays he is in one of his many expert at 7:50 p.m. CDT.

NEWS NOTES

Mr. and Mrs. Gerald Gibb spent a few days this week with relatives Sugar City Motors were in Lethbridge and friends in the Rosemary district bridge on business on Thursday.

Mr. and Mrs. Harold Garner were in Cardston Wednesday for the holding of the holding celebrations on Tuesday, July 24th, commemorating the entrance of the L.D.S. people into Salt Lake Valley.

Mrs. Geo. Erickson family is holding a party in Waterton at present. Mr. and Mrs. Stan Cook were Cardston visitors on Thursday.

F.O. Clayton O'Brien who reported back to his headquarters recently has been granted an extension of his leave and reports again on August 2nd.

A heavy shower over the town about midnight Tuesday night soaked the surface and made streets and roads slippery for an hour or two after the sun came up.

Geo. Melroe of the Mid-West Paper Sales, Lethbridge and Rie L. King former editor of the Claresholm Local Press were Raymond visitors on Thursday.

Hyman Frenkel, Technical Sergeant in the U.S. Air Force, arrived home just a half mile west of town on Saturday evening for a week's visit with his family, parents and friends. The L. D. King family enjoyed a brief visit last week from their daughter Mrs. Stella King Hill of Seattle, Wash.

The Home Missionaries visited the wards of the State Sunday night on their regular appointments. home. They are living in an apartment. Pres. M. T. King and Elder W. W. went in the Howard Mission. While were at the 2nd Ward and home. We welcome Mrs. Melroe to Elders John Steele, C. M. Ackroyd our midst, & with the many friends and Mrs. Nellie Ririe were at the of the newlyweds extend congratulations. 1st Ward. Interesting meetings were held and best wishes for a long and happy married life.

Acclamation For Halmrast Appears Likely

PROVINCE OF ALBERTA WEEKLY CROP REPORT

GENERAL:

Rain is urgently needed in most districts. With the exception in most western and west central Alberta where crops are reported in good condition, their prospects only are indicated. There is little reserve moisture and crops in several districts are now showing the effect of drought. Hay crops will be short, but pastures are generally fair.

FIELD CROPS:

Crops generally are showing evidence of insufficient moisture. Hay crops are short and cereal crops prospects are less than 1944 except in certain specially favored areas. Good crops are expected in south west and west central Alberta where good rains have fallen, but with the exception of the Peace River area where average crops are expected, the remainder of the province shows a reduction in prospective yields of between 20 and 50 p.c. as compared with the 1944 crop. 50 p.c. of the wheat is now in the seedling stage. Scattered hail damage in southern areas varies in extent of damage but with the lateness of the crop some recovery is anticipated.

LIVE STOCK:

Scattered showers have assisted pasture growth to some extent and live stock is reported in fair to good condition. Pastures in sections are good and stock in these districts is in excellent shape. Pasture growth has been most seriously affected in the area from Edmonton north and east, but the condition of cattle has been fairly well maintained.

DAIRYING:

Milk production during June was below that for the same month a year ago, due mainly to lack of rainfall and poor pastures, particularly in the east central and northern sections of the province. Production of butter for June showed a decrease of 10.7 p.c., while cheese production showed an increase of 53 p.c. Recent showers have materially increased production and it is expected that July will show nearly as good a production of a year ago. Deliveries of whole milk to concentrated milk plants and dairies have been satisfactory.

Mrs. Leo Brewerton returned home last week after spending a month home with her sister Margaret in Winnipeg.

Edmonton.— Election by acclamation of Leonard Halmrast, Social Credit candidate in the by-election scheduled for Aug. 6, appeared certain to day as the other two major political parties indicated they would not contest the seat. Nomination day is July 27. J. Percy Page, M.L.A., for Edmonton house leader of the Independent party, said today he had been notified by James Walker, provincial leader of the party, that no Independent would be named to contest the seat.

Elmer B. Roptr, M.L.A. for Edmonton and provincial C.C.F. leader, said he did not expect this party would contest the seat. "If the C.C.F. groups in the Warner constituency were planning to name a candidate I think they would have done so by now," he said. "At any rate, am presuming that no C.C.F. candidate will be named." —Lethbridge Herald.

WEDDING BELLS

HAWKINS — MOSS

On leave from Holland in the latter part of May, Sgt. Ronald Watson Hawkins, son of Mrs. F. Hawkins of Raymond, was married in Bogner, England, to Miss Betty Moss, only daughter of Mrs. M. Moss of Porger. The bride wore a two-piece costume of powder blue corduroy velvet and her wedding veil was trimmed with real tea roses in cream tulle. Lieut. W. S. Redd was best man at the wedding.

A reception was held in the bride's home and later the happy couple left to spend a honeymoon in London.

HENINGER — NALDER

Mrs. Honnie L. Nalder and E.T. F. Heninger, both of Raymond, were quietly married in the Relief Society room of the Calgary Chapel of the L.D.S. Church last Sunday morning at 10 a.m. with Bishop Charles Urquhart of the Calgary Ward performing the ceremony.

The ceremony was witnessed by a number of Raymond and Magrath people, amongst whom were the following: Mrs. Dr. Hall, Misses Sara King and Iris Jones, Geo. H. Brown, Melvin King, Mr. and Mrs. LaMonte Palmer, Mr. and Mrs. Bill Nalder and Mrs. L. L. Palmer. The newlyweds are now away on a honeymoon trip to Vancouver and other Pacific Coast cities before settling down in the B. S. Heninger home in Winnipeg.

We join in wishing them much joy and happiness for the future.

HOW MUCH DO WE OWE
OUR RETURNED MEN?

We heard this one the other day which can be vouched for. On a recent evening the Greyhound bus was preparing to leave Lethbridge for Raymond, Magrath, Carleton Place and on to the Lakes. A returned man with an office years abroad appeared at the ticket office to purchase a ticket, and was informed that the bus was loaded and no more tickets could be sold. He parked himself in the bus and when the driver went through the bus to collect tickets this man said the ticket office would not sell him a ticket, but that he had a wife and family in Raymond whom he had not seen for nearly five years and he had to get to Raymond. The driver told him he would have to get off and the service man refused to do so, so the driver suggested that he go back and try the ticket office again.

He did this, and was again refused so he came back and boarded the bus. The manager was called when our service man refused to leave

the bus, and he threatened to call the police if this man who had of freed his life for all of us would not get off the bus. The service man, like a gentleman got off, after looking over the bus and seeing it half full at least with Hitlerites and Japanese. As the bus left the depot he climbed on the running board and asked the driver to let him on top, or to stand up in the aisle, or anything so that he could get home. No dice.

We don't mention this to stir up strife, but we do think there is a vital point here. Our soldiers return from overseas, arrive at a bus depot and because others have return tickets and travel conditions are crowded, our service men are left holding the bag, while those who refuse to take up arms to defend their liberty, and those who are of a race who are warring against that liberty are allowed to ride. To our way of thinking it just don't add up. The driver was probably not to blame, and possibly not even the Manager, but if this is the policy of the company, then the company should be put to rights by the Dominion officials, and if anyone should have been left in Lethbridge, it should have been someone besides this service man who had been there HELL and HIGH WATER to keep us FREE.

We believe that either the Legion or the Rehabilitation Committees in districts having no daily passenger train service, or only a few transportation companies or money-olies serving such places should give priorities to every returned man by assisting him to get home to those whom he has left for so long. I over folks. Are we right or wrong?

Rationing helps the FARMER

HERE'S HOW!

- Rationing assures everyone a fair share of scarce foods. Without rationing, farmers might get all the butter they need, they might not get sugar. City dwellers might get sugar but no butter.
- Rationing helps to keep prices steady.
- Rationing has assured farmers sufficient ammunition to protect their crops and livestock.
- Rationing makes it possible for farmers to get coupons to feed harvesters and other transient farm workers.

The FARMER helps Rationing

HERE'S HOW!

- By collecting and turning in the coupons acquired against the use and sale of butter and the sale of honey and rationed meat products.
- By writing to the Local Ration Board for application form RB-77 as SOON as they know definitely that transient labor rations will be needed to feed extra help hired for periods of less than two weeks.

Rationing is not intended to add unnecessarily to the burden of Canadian farmers who, faced with shortages of labour, materials and machinery, have continued to respond to repeated calls for greater production.

It is a protection against waste . . . shortages . . . inflation.

Minimum Wages

Well informed farmers are glad to acknowledge their debt to professional agriculturists. They know that improved varieties of crop and methods for protecting crops and animals from diseases, pests, etc., are developed largely through the work of scientifically trained men. By and large, these men are grossly underpaid. Men with similar, sometimes inferior training and experience can earn much more in other professions. Most of our agriculturists are in government employ. Salaries of government workers are, in general, lower in departments of agriculture than in other government departments.

Aside from fair treatment, no considerations merit the attention of farmers. In the past, the government has received very attractive contributions in the United States. It is probable that in the future, and many will be glad to see "edit permits" become available. Good-bye to our agriculturists.

One consideration is this. If a farmer decides early in their career what type of work they will follow. If they discover that they are not suited to agriculture, they will be rewarded for their early decision. If they stay in agriculture, they will be rewarded for their early decision. In other words, we cannot expect to get first-class talent for agriculture.
